

Revitalize Milwaukee

HOW TO GET INVOLVED

Revitalize Milwaukee provides many ways for anyone to get involved, knowing that each person contributes differently. We work with your schedule and abilities to figure out what works best, ensuring a positive and impactful experience. Whether you choose to donate, volunteer, sponsor, or any of the other opportunities, we promise you will gain just as much from the experience as our homeowners.

DONATE

We are always accepting donations to help us transform more lives in our community. With 90 cents of every dollar going directly to homeowners who need our services, you can be sure your donation, no matter the size, will have a lasting impact.

VOLUNTEER

Performing over 2,600 repairs a year is a lot! Whether you have previous skills or none at all, we can find a way for you to have a direct impact on local homeowners. Whether you're swinging a hammer or mowing a lawn, we guarantee you'll feel better after you're done.

SPONSOR

We hold events throughout the year, including Block Build MKE, the most impactful and fun weekend in Milwaukee. We understand every company has a different budget, so we have different sponsorship levels to fit each one.

Your Impact

Your efforts—financial, physical, or otherwise—make a big difference for our homeowners and their families. Without your help, hundreds of homeowners every year would go without repairs that are necessary for them to remain safe and comfortable in their homes.

We support you throughout your entire involvement with us to ensure you are gaining just as much from the experience as the homeowners. Choose one or more of the many ways to get involved and we'll guide you through the rest.

To sign up or learn more about how you can help, visit us at www.freehomerepairs.org, send an email with your information to lynnea@rtmilwaukee.org, or call us at (414) 312-7531.
