

Life is a Gamble...Help Us Change the Odds!

About Revitalize Milwaukee Casino Night Gala:

Join us Friday, October 18th to **change the odds** for low-income seniors, veterans and individuals with disabilities.

This is not your typical game to play. This is not your usual gala. We are shaking things up and beating the odds stacked against these homeowners.

We look forward to seeing you for an evening celebrating our impact in the 110 neighborhoods we serve. Fun, cards, dice, roulette, supper club style dinner and beverages, auctions, and, of course, dancing and singing are all optional...winning is not!

WHAT: More than 250 attendees & sponsors return to our signature event year after year to celebrate the difference we make in Milwaukee's most vulnerable neighborhoods. The evening includes a cocktail reception, casino games, dinner and a short program honoring outstanding awardees—Rick Spaulding, Ponte Giulio, and Associated Bank.

WHO: The evening inspires attendees from all industries and professions to come together to celebrate the difference made in the lives of the homeowners.

WHY: We are the ONLY nonprofit in Southeastern Wisconsin to provide FREE home repairs to eligible homeowners. Without these services, residents would be forced to move out of their homes. We revitalized ten homes in 2005 and have increased that number to 359 homes in 2018! Our current waiting list is 190 homeowners....and YOU can help us bring that number down!

OUR MISSION

To transform communities by providing free, critical repairs and comprehensive services to veterans, seniors, and people with disabilities.

ABOUT REVITALIZE MILWAUKEE:

We are the largest provider of free home repairs to eligible homeowners in Southeast Wisconsin and the only one that provides them for free. While we directly impact individuals and families, we also improve economic stability by keeping long-term, existing homeowners in their homes. Since 2000, we have completed over 14,100 repairs and changed more than 4,500 lives.
