

Revitalize Milwaukee Building Hope Program - Application

Revitalize Milwaukee is a 501(c)3 nonprofit organization whose goal is to preserve affordable housing and revitalize vulnerable neighborhoods throughout Milwaukee and Waukesha counties. We are the largest provider of free home repairs to eligible homeowners in Southeast Wisconsin and the only one that provides them for free.

Revitalize Milwaukee is offering “Building Hope” a 6-month construction training program which will train individuals in home repair and lead abatement in the Milwaukee area. Once the individual graduates from the program, qualified individuals will be eligible to find work with RM doing home repair and lead abatement for our qualified home owners.
